Stinson Beach Community Center:

Please accept my heartiest congratulations on the completion of the Center building. I know you have all worked

tirelessly to accomplish this and I think it is wonderful that you have been able to do it without outside help. It will always stand as a monument to you all.

I should so love to attend its dedi-cation but fear I shall be unable to. However, my

Hoping to see you very soon

Dear Mr. Seidler:

Will you be kind enough to express my regrets and inability to be with you there in Stinson Beach on Saturday evening, November 28th.

I am quite familiar with the fine Community Center Building you folks have erected there adjacent to the Fire House, and I certainly congratulate you and your community on the success of your project.

You may know that the McCollisters are expecting an addition to the family and that the doctors have set the arrival date as just after Thanksgiving. Under these circumstances I do not think I should plan to be over at the beach on the night of your event.

With every good wish, I am,

Yours very truly,

R. H. McCollister

Dear Mr. Sadler:

Thank you for your kind invitation to attend the dedication of the Stinson Beach Community Center Building on Saturday evening, November 28.

I am sorry, indeed, that I cannot be with you at that time as I will be away from Marin on that weekend.

May I take this opportunity to extend my congratulations to all of you who have worked so willingly and hard to make your fine building a reality. All will share with pride and pleasure the friendly atmosphere which has been created through such splendid community cooperation.

I will look forward to a visit to your Community Center in the very near future.

Sincerely,
